Chapter: 7

Honorable Carol A. Doyle

Debtor(s))

Order Finding Civil Contempt and Imposing Additional Sanctions

This cause coming before the Court on Debtor's Motion for Civil Contempt and Motion for Additional Sanctions due notice having been given, and the Court being fully informed in the premises, the Court hereby finds:

IT IS HEREBY ORDERED:

A. Owtel, Inc. is in civil contempt of court for intentionally violating the November 16, 2012 Order Awarding Damages for Violation of Automatic Stay.

B. An additional \$1530 is assessed as damages against Owtel, Inc. for attorneys' fees of the debtor in attempting to collect on the judgment of \$17,940 awarded under this court's order entered November 16, 2012.

C. That Owtel, Inc. is ordered to pay Debtor \$1,000.00 for each day from this day, December 12, 2012, that is does not pay the original judgment amount of \$17,940 plus the additional \$1,530 awarded in paragraph B above, totalling \$19,470 in damages, plus the \$1,000 that accrues each day beginning on December 13, 2012 and each day thereafter until the full amount assessed is not paid. Thus, for example, as of December 13, 2012, \$20,470 is owed, and as of December 14, 2012, \$21,470 is owed, etc.

D. If Owtel continues to refuse to pay despite the November 16, 2012 judgment order and this additional judgment order, the court will consider issuing a body attachment order for the president of Owtel, David Chen, ordering the arrest by the United States Marshals of Mr. Chen and continued incarceration of Mr. Chen until the payment is made.
